## APPLICATION FORM

**SAINT MARY'S PRESS Bible Grant Program** is made available by Saint Mary's Press based on a percentage of annual sales and from a grant of the Lasallian Education Fund of the Christian Brothers of the Midwest Province. The purpose of the program is to provide copies to inner-city and rural poor high schools or youth-serving ministries and to youth in detention centers throughout the United States.

Priority will be given to requests that best meet the following criteria:

2. Requests are from schools, institutions, or ministries serving Catholic youth in detention or in the highest poverty rate areas of the country. For the purpose of this program, we will use the most current HHS Poverty Guidelines and State Poverty Rate standards of the U.S. Department of Health and Human Services (see <http://aspe.hhs.gov/poverty/>)
3. The youth receiving or benefiting from Saint Mary's Press® Bible Grant Program are from households at or below the average poverty measure.
4. The youth receiving or benefiting from Saint Mary's Press® Bible Grant Program are incarcerated teens in detention centers.
