

Kings and Prophets Worksheet

Name: _____

1. Each prophet has been associated with a king. On average, how many kings was one prophet responsible for?

2. Determine the approximate date of the earliest prophet and the latest one by looking at the date connected with the prophet himself or for the rulers of the time. Then look at the handout "Kings and Prophets" (Document #: TX001137). Why do you think God needed to send the people prophets during these times?

3. Use your Bible to determine where three of the prophets on the chart on the handout "Kings and Prophets" (Document #: TX001137) did their prophesying: in Israel or Judah?
