Isaiah 9:5

## FINDING CHRIST IN CHRISTMAS

Isaiah foretells the birth of Christ, which we celebrate every year. Despite some of the more commercial aspects of the season, we can still find Christ in Christmas.

## TAKE ACTION!

- **Have Some Fun:** Gather some friends and go on a Christmas scavenger hunt. Go to your favorite stores and find Christmas items that contain religious imagery and messages. Each person should make a list of what they find. The person with the most items wins!
- **Give a Gift:** Find a Christmas gift—it could be as simple as a card or a bookmark—that includes a Christmas verse that speaks to the meaning of Christmas for you. Give the gift to a person in your school or parish who exemplifies the real spirit behind the season.
- **Reflect on Scripture:** Highlight two or three phrases in Isaiah 9:1–6 that you recognize or that remind you of the Christmas season.
