

LIVE JESUS IN OUR HEARTS

# TAKE THE TOUR

See how we're reframing framework.

**1** *Live Jesus in Our Hearts* creates a space for young people to know it's okay to wrestle... and wonder.

Turn to page 10 of *Revelation and the Old Testament* or *The Paschal Mystery and the Gospels*. Unit and chapter focus questions feature topics young people are wondering about.

Now turn to page 37–38 of *Revelation and the Old Testament* or page 41–43 of *The Paschal Mystery and the Gospels*. We use stories to connect real life to Scripture and Tradition.

**2** Students will engage deeply with Scripture.

Turn to page 10 of *Revelation and the Old Testament* or *The Paschal Mystery and the Gospels*. Students are directed to **pre-read** particular Scripture passages. *Live Jesus* builds Biblical literacy as a foundation of catechesis.

**3** *Live Jesus* meets your students where they are spiritually.

Turn to page 61 of *Jesus Christ and the New Testament* or page 104 of *The Church Foundations and Mission*. “Take it to God” demonstrates to young people the heartfelt honesty one can have when approaching God.

Now turn to page 27 of *Jesus Christ and the New Testament* or page 24 of *The Church Foundations and Mission*. “Hmmm” asks thoughtful questions to allow students to ponder and go deeper.

**4** A seamless Teacher Guide experience awaits.

Turn to page 28–29 in any of the Teacher Guides. In the margins, notice the thumbnail images of both handouts and student book pages—an instant connection to the resources you and the students will need. Be sure to review each Unit's resource. As one teacher remarked, “you won't need to look anywhere else!”

**5** We are helping you help them master concepts.

Turn to pages 101–105 of *Jesus Christ and the New Testament* or pages 140–143 of *The Church Foundations and Mission*. Each unit ends with 3–4 pages of graphic organizers, helping students review and master the key points from each chapter.
