

The word is a seed planted  
that **ROOTS** deeply into the ground  
which grows in grace & beauty  
and bends but does not break.

It stands tall with others,  
to enable the work of righteousness & justice  
like an everflowing stream of love  
and will sow peace  
**blossom** with **joy**  
and cultivate kindness.

So let there be **light**  
let us plant seeds  
Let us **nourish** our children  
And the world.

As it was in the beginning is now,  
and ever shall be,  
**World** without **end**.
