Let your chief study be the Bible, that it may be the guiding rule of your life.” — St. John Baptist de La Salle

Saint Mary’s Press celebrates 75-years of partnering with you in mission to touch the hearts of young people with the Good News of Jesus Christ!

Twenty years ago, we introduced young people to the first Bible ever developed just for them—The Catholic Youth Bible®. Since then, with your help, we have placed God’s Word into the hands and hearts of more than 3.4-million young Catholics with our ever-expanding line of specialized Bibles.

The world has changed since we first started this ministry of publishing Bibles for young Catholics—and so have youth and the culture in which they are growing up. But hunger for the Good News of Jesus Christ made known through the Scriptures is unchanging.

Thus, let us renew our dedication to the relevance of the Word of God for the salvation of the young and claim this as The Year of The Bible.

Watch for special content throughout the year, to encourage youth of all ages to take up a Bible, enter the Word of God, and be made new through its message of Love!

Their hearts will be changed.

Live, Jesus, in our hearts. Forever!
The 4th Edition of *The Catholic Youth Bible®* has a contemporary look that is sure to entice young people to explore God’s word in a whole new way. The new Challenge and Scripture Highlights features will encourage readers to put faith into action by incorporating core Bible themes into daily life. This edition of the Catholic Youth Bible® is the best yet! — Teri, St. Robert’s

“I love the four-color design and extensive footnotes! The footnotes create opportunities to take teens deeper and help them see connections to other sections of the Bible and other passages.” — Holly, Totino-Grace

“The side articles, Scripture explanations, and challenges are very well done. They are short enough to keep teens’ attention but give information to enhance one’s understanding of the Scripture and reflect on how it applies to life today. A wonderfully engaging Bible not just for youth, but for everyone!” — Jeni, Mater Dei
Challenges sprinkled throughout encourage youth to take their faith from the pages of Scripture to the world!

New, engaging, relevant articles like Who is my neighbor? and Searching for God, show young people the connection between Scripture and daily life.

Easy-to-use navigation enables youth at all levels of biblical knowledge to easily navigate Scripture.

Scripture Highlights offer inspiration and reflection, as well as opportunities for coloring.

Young people can explore the Bible easily, with themed Reading Plans, as well as When I’m Feeling verses.

“...This is a whole new way of teaching! Student-led, at their own pace, with me stopping along the way at certain junctures to discuss, debrief, and emphasize what I want them to know. My prep time has been cut drastically because the course is done for me. The summative assessments are creative and the accompanying rubrics have saved me hours of time...I am pretty confident that they will be able to do well on the ACRE test, but more importantly they will come away with a greater appreciation for the beauty and wisdom of Catholicism and the Gospel—that they are willing and ABLE to share more passionately.” —Janet, Atlanta, Georgia

Together with you, students uncover foundational truths in our eLearning courses. Our design makes every topic a subject of discussion—not filled with black-and-white answers. Our research has shown us this is where students are—they don’t want to simply be told the answers, they need to be engaged in discovering them.
