

## THE HOLY TRINITY

The Shema is the Jewish statement of belief in one God. Jesus taught us to love only one God and, through Scripture and Tradition, we have come to understand that the one God is made up of three divine Persons—Father, Son, and Holy Spirit. Using the clues below, find the word that completes each statement and fill in the blanks on the corresponding line. If you need help, refer to the pages in *The Catholic Connections Handbook* referred to within the parentheses.
