

Sacred Time: The Liturgical Calendar

Part 1

Write the names of the liturgical seasons and the months in which they occur in the appropriate spaces on the liturgical calendar. You may refer to part 2 for a list of the names. Also color in (or legibly print the name of) the liturgical color associated with each section of the calendar.

Part 2

Write a brief description of each liturgical season, liturgical celebration, or both, and place them in their proper order by numbering each, beginning with Advent as "1." One liturgical time occurs twice on the calendar and will, therefore, have two numbers associated with it.

Number of Each Season	Name of Liturgical Season or Celebration	Description of Liturgical Season or Celebration
	Ordinary Time	
	Easter	
	Lent	
1	Advent	
	Pentecost	
	Easter Triduum	
	Christmas
