

Getting to Know My Parents' Views

This checklist will help you identify how well you understand your parents' (or guardians') views on moral issues and whether you think that your parents understand your views on moral issues.

Consider each moral issue in the list below. Then in the appropriate columns, do the following for each issue:

- A. Write **S** if you are **sure** of your parents' views on this issue. Write **U** if you are **unsure** of your parents' views.
- B. Write **S** if you think your parents are **sure** of your views on this issue. Write **U** if you think your parents are **unsure** of your views.
- C. Indicate whether you would like to talk more with your parents about this issue. Write **yes**, **no**, or **maybe**.
