

Module 2 Summative Assessment Project

In this module, we learned about salvation history.

Now you are going to work with a partner to share the stories of salvation history.

Objective

Summarize and present stories of salvation history from the Old and New Testaments in a creative and original way so children can learn these stories.

Content

1. Select your teaching format from one of these options:
 - a. A learning game
 - b. A children's book—paper or digital
 - c. A video or slideshow
 - d. A visual story on a roll of newsprint
2. Use your teaching format to summarize salvation history. Include 10 events from the Old Testament and 10 events from the New Testament.
3. Share your project with a child or group of children.
4. Verify that you have shared your project by taking a picture of yourselves with the child or group of children. Return to module 2, lesson 10, "Summative Assessment Project," to share your image.

Partner Cooperation

1. Partners work well together to resolve disagreements and agree on all parts of the project.
2. Partners divide responsibilities fairly.
3. Partners support each other.
4. Partners follow through with designated responsibilities and are fully prepared.
5. Partners share equally in the presentation to the children.
