

Responding to God's Invitation: Exemplary Models

Write the name of the exemplary person you have been assigned to focus on for this learning experience:

Based on the information you read about this person, respond to the following questions:

1. How did this person respond to the invitation to live in communion with God?

2. As a result of that response, in what ways did he or she become the person God intended him or her to be? In other words, what unique contributions did this person make to the Church and world?

3. What struggles, difficulties, or conflicts did this person encounter in seeking to respond to God's invitation?

4. How did this person manage these struggles, difficulties, or conflicts?

5. In what specific ways do you think this person is a role model for people today?

Use the back of this handout to take brief notes on your classmates' responses.
