

To Know Another

Listed below are twenty-eight items of information that we might be able to discover about another person. In column A, rank the items in terms of how important it would be to discover each of them if you wanted to develop a deep friendship with someone. Use **1** for the most important item to discover, **2** for the second most important, and so on. Then your teacher will tell you what to do with columns B and C.

A	Item	B	C
