

Word Association

This sheet contains a list of words that are sometimes associated with sexuality. Using this list, follow the four steps described below. Any word in the list may be used more than once.

- ① **Circle** the three words that the entertainment **media** (television, radio, movies, and so on) most often associate with sexuality.
- ② **Underline** the three words that most **senior men** at this school associate with sexuality.
- ③ **Put in parentheses** the three words that most **senior women** at this school associate with sexuality.
- ④ **Put a star in front** of the three words that **parents, teachers, and church and political leaders** try to communicate about sexuality.
