

Chinese Calligraphy

Calligraphy is one of the cultural arts that one pursues in the process of becoming a *chun-tzu*. Try your hand at reproducing the Chinese characters below, drawing your versions in the space provided to the right of the characters. The family roles with more than one character are meant to be read from top to bottom.

家

Family

母

親

Mother

父
親

Father

兒

子

Son

女
兒

Daughter
