

Taizé Prayer

As you prepare your part of the prayer, refer to the Taizé Web site, "Preparing a time of prayer." Remember that every aspect of the prayer should be focused on the Paschal Mystery. Circle the area of prayer for which your group is responsible:

- Psalm
- Reading
- Song (consult with the other group doing song; recordings of songs from Taizé can be found on their Web site and are easily learned)
- Intercessions or Litany of Praise
- Concluding Prayer
- Song (consult with the other group doing song)
