Essay

- A. Can someone go to Hell after Purgatory? Explain.

Answers should include the following points:

Purgatory is a state of final purification or cleansing, which one may need to enter following death and before entering Heaven. Entering Purgatory is a step toward Heaven, so you would not go to Purgatory only to end up in Hell. The belief that souls in Purgatory are assured of entering Heaven once their purification is complete is part of the truth God has revealed in Tradition and Sacred Scripture.
