

Created in God's Image

You will be guided through this handout, taking notes and answering questions as directed in your class.

1. Which words in the opening statement of the Apostles' Creed tell you that it is a creed? Why are creeds important?
2. What does it mean to be created in God's image?
3. In what ways can the image of God be seen in you?
4. Describe the Trinity. You may use analogies if you wish.

5. What do you know about each Person of the Blessed Trinity?

6. If we are created in the image of God, who is a perfect community, what does this tell us about our human needs and relationships?

7. What does the Trinity show us about our need for community in order to discover truth?

After you meet with your "trinity" of classmates, read the following statement and respond:

8. Understanding what it means to be created in the image of a Trinitarian God is more important today than ever before. Do you agree or disagree? Explain your answer.
