

Getting to Know Jesus

With your partner, look up the following Scripture passages in the Bible. Write a brief summary of each miracle. In the last row, select a miracle of your own choosing, and complete the row with related information.

Scripture Passage	Summary
Matthew 20:29–34	
Matthew 9:1–8	
Luke 5:1–11	
Matthew 9:18–26	
John 11:1–44	
Mark 8:1–10	

On your own, either in your learning journal or on a sheet of paper, write an essay about Jesus based on what you know or have learned about him through the miracles he performed. Let these Scripture passages guide the development of your story. Think about Jesus as both human and divine as you develop your story. Think about how his actions help us to understand that he is both God and man.
