The Ideal King

1. How does the ideal king treat his family and friends?

2. How does the king treat strangers and people he meets for the first time?

3. What is the king's attitude towards the health of his people? How does he promote physical, mental, and spiritual health?

4. How does the king spend the kingdom's money? What are his most important concerns?

5.	Does the king laugh a lot, or is he always serious?
6.	What is the king's attitude toward immigrants? Does the king allow people from other kingdoms to come in?
7.	What is the king's attitude toward people who break the law?
8.	What else is important to being a king that is not mentioned above?
