

## Vocabulary for Unit 7

**justice:** Fair and equitable distribution of life's necessities; based on the truth that all human beings have dignity and worth.

**parallelism:** The repetition of words or ideas in successive lines of a verse of poetry. Sometimes the second line contrasts with the first.

**proverb:** A short saying containing advice and understanding of human experience from a religious perspective that is passed down through generations.

**righteous:** Following the Law of God, honoring justice, and embracing compassion as a way of life.

**wisdom:** One of the Gifts of the Holy Spirit. A wise person is one who seeks God and follows God's Law.
