

Section 3 Wrap-up: A Graphic Novel or Playlist

Jesus as the Definitive Revelation of God

In section 3 of your book, you have studied three key concepts:

- Jesus is the Incarnate Son of God who became man for our salvation.
- Jesus Christ is both fully human and fully divine.
- Through the power of the Holy Spirit, the Church is the Mystical Body of Christ.

Choose one of these concepts, and creatively explain it in either a graphic novel or a collection of songs and hymns.

Option 1: Create a Graphic Novel

Create a graphic novel to explain the concept you have chosen. Your audience is people your own age. Follow these steps in planning and creating your graphic novel:

1. Decide what points you want to make about the concept you are explaining.
2. Consider how you will communicate these points to your audience. Include at least one Scripture passage and three points from the student book.
3. In twelve to fifteen frames, create a graphic novel that explains the concept you have chosen.
4. Write a one-page reflection to accompany your graphic novel, explaining why you chose to portray the concept in the way you did.

Option 2: Create Liner Notes for Playlist of Music

Find songs that illustrate something about the concept you have chosen, and write out the liner notes that will appear on the CD, online album, or playlist. (*Note that you will not create a mix CD for this option. You will create a list of songs that would appear in a playlist about the concept you are explaining.*) Follow these steps in creating your playlist and liner notes.

1. Locate songs using hymnals and collections of Christian or Catholic music. You may also choose pieces of instrumental music or popular music, but 90 percent of the collection should be from Catholic or Christian musical compositions.
2. Write up the liner notes listing the music selections. For each piece, write a paragraph explaining how it illustrates the concept you have chosen to explain.
