

## Supernatural Beliefs: What's Right?

God created everything that is, both the visible and the invisible. Human beings have always believed in invisible beings and powers. We typically call these things "supernatural." But which supernatural beliefs are okay, and which ones are wrong or harmful? Listed below are some statements about common supernatural beliefs. Research them by searching for them in the *Catechism of the Catholic Church* online. Search for "USCCB online catechism."

Circle the correct choice in the underlined pairs, and fill in the blanks.
