

Images of Jesus

The chart below contains several phrases that the student book uses to describe Jesus. Take a few minutes to study these phrases, and place a checkmark to the left of the one or two that most closely match your own image of Jesus. If you wish, add other phrases that express how you see Jesus.

Then go around the room and slowly study the images of Jesus your classmates have brought in. Choose one or two images that seem to bring out the characteristics of Jesus that you marked, and write the numbers of those images on the line to the right of the respective characteristics of Jesus below.
