

## Your Role in Evangelization

In this wrap-up for section 3, you will reflect on ways in which you live the call to witness to the Gospel and to participate in the Church's work of evangelization, and areas in which you can respond to the call more fully.

1. In the chart below, mark an X in the boxes to indicate how you are doing right now in various areas of your faith life.
2. Choose your three strongest areas, and write two pages explaining how those areas are the strongest in your faith life. Why are they the strongest? How do you practice them?
3. Choose two areas where you can improve and write one or two pages reflecting on why those areas may need more work and what specific actions you can make toward improvement.
