Use the questions below as you interview key people in your parish. You may want to tape record their responses, with their permission, or take notes in a small notebook. Be sure to begin each section by stating or writing the name of the person being interviewed. Choose three of the following people as interviewees: the pastor, the director of religious education, the parish council chairperson, the youth minister, the music minister, the administrative assistant, the school principal, another adult active in parish life.
