Respond to these questions based on how you filled out the chart above:

1. Which tradition do you know the most about? the least about?

2. What surprised you after completing this chart?

3. What similarities did you find, if any, among the traditions listed here?

4. Provide the name of a faith tradition not on the chart and list the appropriate subheadings (human nature, central beliefs, and so on).

5. Based on your research and understanding of the ideas above, how would you complete the following sentence: "All religions believe that . . . "?
